Voorwoord

Marlene Esterhuizen
SASV Webmeester

Die skouseisoen is alweer verby, en wat 'n lekker en besondere tyd was dit nie! Baie geluk aan elkeen wat deelgeneem het en ons vereniging se skoue deur die jaar ondersteun het. Of jy nou met 'n trofee huis toe is, 'n paar goeie plasings behaal het, of bloot die dag saam met mede-telers geniet het – elkeen se deelname dra by tot die sukses van ons vereniging en die groei van ons stokperdjie.

Met die skoue agter die rug, skuif ons aandag nou na een van die belangrikste tye van die jaar: die broeiseisoen. Dit is 'n tyd van voorbereiding, beplanning en natuurlik 'n bietjie opgewondenheid oor wat die nuwe seisoen kan bring. Pare word gekies, hokke word reggemaak en ons begin droom oor daardie besondere jongduif wat dalk volgende jaar die een is wat almal se aandag trek. Ons weet egter almal – 'n mens kan die beste planne maak, maar die duiwe het soms hul eie idees!

Goeie voorbereiding is daarom belangrik. Sorg dat ons duiwe gesond en in goeie kondisie is, dat die hokke skoon en gereed is en dat goeie voeding beskikbaar is. Maar bo alles, geniet die proses. Dit is juis die afwagting en hoop wat die broeiseisoen so spesiaal maak. Elke eier bring nuwe moontlikhede, en elke jongduif is 'n nuwe kans om iets besonders te teel.

Kom ons gebruik ook hierdie tyd om ons kennis en ervaring met mekaar te deel. Ons leer nie net uit ons eie sukses nie, maar ook uit die dinge wat nie altyd volgens plan verloop nie. 'n Goeie gesprek, 'n nuttige wenk of selfs 'n besoek aan 'n mede-teler se hokke kan nuwe idees en inspirasie bring. Ons vereniging is immers meer as net skoue en trofeë – dit is ook die vriendskappe, ondersteuning en liefde vir ons duiwe wat ons bymekaar hou.

En natuurlik wag daar nog lekker hoogtepunte op ons kalender. Die jongduifskoue later vanjaar gee ons die geleentheid om die resultate van ons harde werk, geduld en goeie teling te wys. Dit is altyd besonders om daardie jong duiwe wat ons die afgelope paar maande dopgehou het, uiteindelik in die beoordelaarshokke te sien.

Mag hierdie broeiseisoen vir elke lid voorspoed, goeie gesondheid en baie mooi jong duiwe bring. Mag daar nuwe kampioene gebore word, maar ook nuwe vriendskappe en mooi herinneringe gemaak word.

So, maak die hokke reg, kies daardie pare met sorg en begin die nuwe seisoen met hoop en entoesiasme. **Elke kampioen begin immers iewers – en soms begin hy sommer in 'n klein eiertjie!**

Geniet die broeiseisoen, geniet julle duiwe, en geniet veral die lekkerte van ons wonderlike stokperdjie saam met mekaar.

World Cup Fly 2026 and SAFPA National Show

Nando Oosthuizen

So, this year has been very interesting when it comes to the Birmingham Rollers.

In the beginning of this year, I had my eyes and heart set on the World Cup Fly and showing pigeons took a back seat in my mind and I was fully prepared to keep my focus on World Cup Fly 2026. Even when pairing my birds up in 2025, pairing up the pigeons it was the roll in mind and not the show pen. The young birds started developing nicely into the roll and there was even a few showing promise for the 2 shows I wanted to do. Then the biggest hit came and we had to move AGAIN, now I had to move get the lofts up again tape all the kit and young bird up to rehome them all over again.

So I rehomed them as fast as possible got them back into the sky and then just flew them as hard as possible seeing the qualifying was right around the corner. I must admit they got back on to form fast and I was positive but did not expect much seeing it was my first competition with out my father to lean on or get advise from but you better believe I still phoned and message oom Tommy and oom Riaan Kruger as much as possible for the guidance I needed.

Just like that the day has come and the nerves was all over the place, the day was cold and thick with fog in the air and how the day would go none of us was sure. As we got tot the first guys house the wind was pumping and we where not sure what to do, but quickly we changed some guys around so that the flying order made more sense. Then it was my turn, by that time the weather was better but not perfect. I set the birds out and just hold my thumbs as now it was the pigeons turn to show what they can do as all I could do was now done. They did disappoint me at all. My only goal was not to get a DQ or 0. They flew well, the first 10 minutes despite one bird going in and out the kit the birds where still scoring then after the first 10 minutes a hawk did a fly by but did not try to dive on to the kit but the pigeons still had some PTSD so one other bird broke out the kit and then scoring stopped. What a disaster right so for over 5 minutes the scoring was bleak, then one bird joined and there was a bit more scoring the happened just for the birds came low stopped rolling and the main concern was not for them to come sit because if they came and sit in a certain time it would have been a DQ, as I was really worried about it my fellow fanciers said to me relax we with in the time that if they sit now the score will still count and at least they did not come down to sit but in proper murphy's law after the final whistle blew the kit went back up and rolled amazingly. So all and all the kit scored a score of 480 with 26 breaks where 7 of those breaks were 10 to 12 pigeons at a time.

Comments: Very entertaining Kit !!,

Time Out: Time Flown / Scored:

Then after the dust of the world cup fly has settled now all focus was on the SAFPA National show. Having to pick out and select pigeons as not easy as the youngest of the birds where still in molt when it came time to select birds and enter them in for the show. So I selected my 11 pigeons and started training the youngest of them in the walking pen so that they are not completely out of place and stressed on show day being put in to the show pen. A few days before the show the pigeons that was not selected because of the molt now just a few days before the show was looking much better than some of the birds I have entered, but that was just murphy's law again hay. So you can just imagine the expectation was low.

Just like that myself and oom Tommy where on the

road on our way to bloem and the excitement was radiating in that bakkie. Got to the show and couldn't get the hello's out the way fast enough so that I could get the pigeons into there pens and calmed down for the big day that would follow, on judging day I was nervous again even though I thought I don't have a change in hell seeing I walked passed all the rollers on show and saw the competition was going to be tough. Then Nardus started the judging and now just like the flying it was in the pigeons hands all the preparation and training I could do now has to now come through and the pigeons have to perform. So first it was the YH Blue class and I had 2 good bird in that class and was a little more confident as one of these hens in 2025 won 2 shows her self, but as Nardus was busy adding bird after bird I was happy and thought I had this class until he put a stunner of someone else in to the pen and I knew I don't stand a change against this bird in that class. But so class after class I'm just stressing then at least for the Young Hens I won the Black class with a pigeon that I didn't think to take to the show as I made a last min change as I was basketing the pigeons and she ended up winning the best YH for Birmingham's Rollers on show, who could've guessed.

One of the Blue YH I had faith in

Best YH Birmingham Roller on show

So it was time for the YC class and at least I won the red class and thankfully I did as my blue YC got "a thanks for coming sticker" like Oupa Christo and Harry likes to say. So the show went on and I didn't not even come anywhere in the OH class but it is not because I didn't have good pigeon in that class just that all the other old hens on show was just amazing and much better. Then OC my blue pigeon won its class and then went on to win and was the best OC Birmingham Roller on show, then it came time for YH against YC and there was no stress as it was 2 of my birds, I was just paying attention as I needed to see if my blue pigeon did not win the best old bird ons how, would any of these 2 young birds stand a change and between you and me I don't think so haha, so the Red YC won the best young bird on show for Birmingham Rollers, but there was no time to celebrate as the winners of the OC and OH where up next. The blue OC of mine was put in the walking pen and soon after the hen that won the OH was put in and the competition was close it could I've been any one of them to be honest and I know anyone of those two could beat the red YC, luckily for me my blue OC won so now I can relax best Young and Best Old I both my birds. In the end of a long day of judging well it felt long for me haha. My Blue OC won best Birmingham Roller on show.

Best YC and best Young Birmingham Roller on show

I was super exited that I have one my first SAs it felt like a life goal has been completed and that same day set a goal to win the SAs again and get top 7 on show no matter where my roller sits with in the top 7 as long as I can get a top 7 on the SAs with a Birmingham Roller.

Best OC and best Old Birmingham Roller and over all Best Birminham Roller on show

Please go and subscribe to my YouTube channel its all about Breeding Flying and Showing Birmingham Roller, its called HVBR . I have developed a app called "True Roller", let me know if you want to use the app as it can work for other breeds as well. I am busy with a Show app as well.
